Show by a good life that your works are done by gentleness born of wisdom James 3:13

Message from Fr Sam

In this week's assemblies, Fr Sam spoke about Jesus' baptism by John and in particular the words "A voice came from Heaven and said, 'I love you and I'm proud of you.' In Tuesday's assemblies, Alana from the NSPCC came to speak to the pupils about their national campaign **Speak Out. Stay Safe**. The pupils all met the NSPCC mascot Buddy and learnt the free Child-line number 0800 1111

After School Clubs start next week. Please remember to wait outside for the school gate to open for collection at 4.30pm.

Some of Year 4, 5 & 6 pupils were invited to take part in a cooking session at the **Jamie Oliver Cookery School** on Holloway Road. We were the first school to have a session at the new premises and the children were shown how to make a delicious Thai Green Curry which they then made and ate themselves. A fantastic experience using the professional facilities and getting the opportunity to meet the man himself!

In **Year 3** this week we have been learning about healthy eating. We have looked at our favourite drinks and found out how much sugar they contain. There were some shocking results, we couldn't believe that Ribena has the same amount of sugar as Fanta and although it contains natural sugars, the smoothie had the most sugar per 100ml than any other drink. We measured the sugar so we could see just how much was in each.

Remember to come and collect your prize of **free book of your choice** from Ms Luzmore!
