

	Week	Dates (w/b)	Wk	Year 12	Year 13
Autumn Term	0	30/8/2021			Phased return
	1	6/9/2021	A	Materials	1. Identification and investigation of a design possibility
	2	13/9/2021	B	Materials	2. Investigation of needs and research
	3	20/9/2021	A	Materials	2. Investigation of needs and research
	4	27/9/2021	B	Materials	3. Specification
	5	4/10/2021	A	Materials	4. Design ideas
	6	11/10/2021	B	Materials	4. Design ideas
	7	1/11/2021	A	Performance characteristics of materials	5. Development of design ideas
	8	8/11/2021	B	Performance characteristics of materials	5. Development of design ideas
	9	15/11/2021	A	Performance characteristics of materials	6. Final design solution
	10	22/11/2021	B	Processes, techniques and specialist tools	7. Review of development and final idea
	11	29/11/2021	A	Digital technologies	8. Communication of design ideas
	Spring Term	12	6/12/2021	B	Factors influencing the development of products
13		13/12/2021	A	Factors influencing the development of products	9. Fabrication, Tools and equipment, and 10. Quality and accuracy
14		3/1/2022	B	of products	9. Fabrication, Tools and equipment, and 10. Quality
15		10/1/2022	A	of products	9. Fabrication, Tools and equipment, and 10. Quality
16		17/1/2022	B	Factors influencing the development of products	Theory: Current legislation
17		24/1/2022	A	Effects of technological developments	Theory: Information handling, modelling and forward planning
18		31/1/2022	B	Effects of technological developments	9. Fabrication, Tools and equipment, and 10. Quality and accuracy
19		7/2/2022	A	hazards and risk assessment	9. Fabrication, Tools and equipment, and 10. Quality
20		21/2/2022	B	hazards and risk assessment	11. Testing and evaluating
21		28/2/2022	A	Features of manufacturing industries	11. Testing and evaluating
22		7/3/2022	B	Features of manufacturing industries	9. Fabrication, Tools and equipment, and 10. Quality
23		14/3/2022	A	Features of manufacturing industries	9. Fabrication, Tools and equipment, and 10. Quality
24		21/3/2022	B	Features of manufacturing industries	11. Testing and evaluating
Summer Term	25	28/3/2022	A	cleaner environment	11. Testing and evaluating, final submission. Easter
	26	18/4/2022	B	cleaner environment	Revision
	27	25/4/2022	A	cleaner environment	Revision
	28	2/5/2022	B	Design, no make project	Revision
	29	9/5/2022	A	Design, no make project	Revision
	30	16/5/2022	B	Design, no make project	Summer Exams
	31	23/5/2022	A	Revision for mocks	
	32	6/6/2022	B	Revision for mocks	
	33	13/6/2022	A	Revision for mocks	
	34	20/6/2022	B	Revision for mocks	
	35	27/6/2022	A	Exams	
	36	4/7/2022	B	Coursework context investigations	
	37	11/7/2022		Activites Week
