

# Year 3 KPI Targets

Evidence taken from books, assessments, KIRF practice

Number and place value	Date met
I can count from zero in multiples of 4, 8, 50 and 100.	
I know the place value of each digit in a three-digit number.	
I can find 10 or 100 more and less with any given number.	
I can solve number problems and practical problems involving number and place value.	
<b>Addition and Subtraction</b>	
I can add and subtract a three digit number and ones in my head.	
I can add and subtract a three digit number and tens in my head.	
I can add and subtract three digit numbers mentally, including a three digit number and hundreds.	
<b>Multiplication and Division</b>	
I can recall and use my 3, 4 and 8 times tables.	
I can use my times tables to solve multiply and divide two-digit numbers and one digit numbers.	
<b>Fractions</b>	
I can count up and down in tenths.	
I know that tenths are made from dividing an object, numbers or quantities into 10 equal parts.	
I can write and find fractions of a set of data and can recognise fractions with small denominators.	
I can identify and show equivalent fractions.	
<b>Measurement</b>	
I can measure, compare add and subtract lengths, mass and volume and capacity.	
I can add and subtract money giving change, using pounds and pence. I can do this with real money.	
I can tell the time to the nearest minute from an analogue clock. I can write the time on a clock face.	
I can begin to read the time on a digital clock (12 and 24 hour).	
<b>Shape</b>	
I can find right angles.	
I can spot when angles are greater or less than a right angle.	
I know that two right angles make a half-turn, three make three quarters of a turn and four make a full turn.	
<b>Statistics</b>	
I can read and understand data using bar charts, pictograms and tables.	
I can present data using bar charts, pictograms and tables.
