

Show by a good life that your works are done by gentleness born of wisdom James 3:13

### Online registers

Thank you to everyone who has been in touch with staff over the last few weeks - we appreciate every email and phone call. We are of course wanting to ensure that all of our community is safe, well and able to access learning. Therefore this week we have introduced an **online 'register'**. Each day your class teacher will post a good morning post. We would like for every child on whichever day they log on to Google Classroom to say good morning. The teacher are then able to keep a record of who we have 'seen' and senior staff can cross reference that with the information we have from our contact with you. It's a small thing, but makes a big difference for us.

### Free School Meals

You may find your circumstances have changed and you may be eligible for FSM vouchers. If so please contact Donna with your full name, date of birth and National Insurance number.

### Easter Story Writing Competition

Thank you to everyone who entered - there were some fantastic entries. These have been shared with the children on GC as a slideshow and there is also a link to the winning entry too. Sophia in Year 3 not only made a book but uploaded a video of herself reading it with excellent expression. Congratulations Sophia!

### Key Instant Recall Facts & Curriculum Letters

Teachers will be sending out curriculum letters and KIRFS by the end of this week and they will be uploaded to the school website.

### Message from Ms Luzmore

Do remember that school is 'open' for collection of materials and swapping reading books in the Secondary entrance. I know lots of you have collected already. But please remember through all of this, that we are all finding things challenging. As a school, we have no expectations on you and your family to complete every task we set, but that it is there to help add structure and purpose to school days. I would ask that you keep up things like reading stories and basic maths, but do not add undue pressure to yourselves. I really like this image that Miss Nagra shared with her class today. It is so true. Take care of yourselves and do be in touch if we can help. **Ms Luzmore**

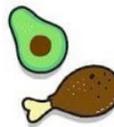

### Reflections and Assemblies

We continue to regularly upload a mix of stories, music reflections and are working out the technology for assemblies so that these can be listened to. These are all posted onto Google Classroom daily so make sure you regularly check. There is also Ms Luzmore's Friday Quiz - designed to frustrate the player with its challenging and impossible questions! There are 118 'pupils' in Ms Luzmore's Assembly Classroom it would be great to have everyone. If your child is yet to join they can logged into their Google account by using this code: [ydxijfl](https://www.youtube.com/playlist?list=PLp5HefAHRiux4YQSSOEZmRcvhtJ_6HYIP)

We have also a You Tube channel where we save whole school videos for you to access [https://www.youtube.com/playlist?list=PLp5HefAHRiux4YQSSOEZmRcvhtJ\\_6HYIP](https://www.youtube.com/playlist?list=PLp5HefAHRiux4YQSSOEZmRcvhtJ_6HYIP)  
I am also delighted that **Mr Allinson** is back with us and will be offering some musical input via GC.

## 16 Everyday Activities That Count as Learning

1. Cooking & Baking

2. Meal Planning

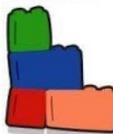

3. Budgeting

4. Checking the Weather Forecast

5. Building with LEGO

6. Playing Card Games

7. Playing Board Games
