

St Mary
Magdalene
Academy

Dear Parents/Carers,

EYFS and KS1 Phonics Presentation

We would like to invite you to attend an **introduction to phonics** online presentation at **4pm Wednesday 11th November**.

Within this session, Miss Eastlake, our year 2 teacher, will talk through the basics of how phonics work and then the specifics of the Sounds Write phonics programme that we use at St Mary Magdalene Academy. She will then hold a short Q and A answering any questions that you may have.

This session will be hosted over Zoom. In order to access the presentation on the day, please return the attendance slip provided at the bottom of this letter and then we will email you the link to join the meeting on the day.

Thank you and we hope to see you next Wednesday.

Yours faithfully,

Adam Berridge

Assistant Headteacher and Literacy Lead
