## A busy half term has begun...

As the weather gets warmer, schools enter their busiest time of year with lots going on... Next week, **Year 5** are off on their trip to Sayer's Croft accompanied by Mr Berridge, Ms O'Reilly and Linda. We know they will have an absolutely fantastic trip and look forward to seeing lots of photos of all their adventures,

**Year 6** are on the big build up to their tests which start in two weeks time. The children are, as always, working hard and have been really impressing their teachers with their positive attitudes. Staff are looking forward to taking them to Chessington as a treat for their hard work,

Both **Reception** and **Year 1** have school trips next week to the farm and the zoo respectively.

**Year 2** are also about to begin their assessment month next week—Ms Eastlake will be working closely with the children to assess where they are in their learning.

Various class assemblies will take place this term, so do make sure you check dates carefully in this weekly newsletter.

## Can you spare some time?

We are looking for regular parent volunteers to support walking Year 3 pupils to their swimming lessons on Tuesdays starting next week. Please do contact Donna in the office if you can help.

## In this week's assemblies, Ms

Luzmore read a story about a foolish farmer who believed a boy could tell the future... Mr Berridge told the Greek myth of another foolish person, King Midas. Midas, who was greedy, wished that everything he touched would turn to gold. We hope that we grow to make wiser choices than those in the stories.
